EDISON ELECTRIC INSTITUTE

INDEX TO 1949 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 17

Issue	Pages	Issue	Pages
January	1- 32	July	225-288
February	33- 64	August	289-320
March	65- 96	September	321-360
April	97-128	October	361-392
May	129-160	November	393-432
June	161-224	December	433-464

General Index

A

Accident Prevention
- Ebasco Holds Second Safety Seminar, 233
- Ebasco Sponsors Safety Seminar, 72
- EEI Resuscitation Medals Presented for Courageous and Humane Actions—Mae B. Woods, 83
- Electrical Power Station Fire Protection—N. L. Clarine, 77
- Texas Power & Light and New Orleans Public Service, Inc., Win Annual Safety Awards, 431
- Thirty-five EEI Resuscitation Medals Presented for Quick Effective and Unselfish Actions of Power Company Employees—Mae B. Woods, 51
- Three Accident Prevention Posters Now Available, 61

Accident Prevention Committee
- Chicago Meeting, 218
- Detroit Meeting, 62
- Newark Meeting, 388

Accomplishments of Electric Light and Power Industry in The Reduction of Atmospheric Pollution—A. L. Penniman, Jr., and E. F. Wolf, 341

Accounting
- Credit and Collection Experience of the Gas and Electric Industries—1st Report, 149—2nd Report, 422
- Financing the Future Expansion of the Electric Utility Industry—George D. Woods, 69
- Joint Accounting Conference at Detroit, Biggest and Best, 129
- Joint National Accounting Conference at Detroit, April 11-14, 43
- Practical Plan for the Establishment and Perpetuation of Meter Reading Routes—F. A. Fussner, 59
- Safeguarding Our Future Through Sound Rates and Financing—Justin R. Whiting, 133
- Some Trends in the American Economy—Short Run and Long Run—Sumner H. Slichter, 137
- Tax Consequences of Pension Plan Changes—Leo A. Diamond, 155

Advertising
- Why Advertise—And How?—Forrest M. Raymond, 19

AGA-EEI Motor Vehicle Conference, 136

All-Electric Kitchen Program Launches Industry's First Postwar National Sales Drive, 41

Atomic Energy
- Prospects in Industrial Application of Atomic Energy—Philip Sporn, 371
- Sporn Heads Advisory Committee on Cooperation Between the Electric Power Industry and the AEC, 337

Awards
- EEI Resuscitation Medals Presented for Courageous and Humane Actions—Mae B. Woods, 83
- Hughes (George A.) and McCall (Laura) Home Service Awards Presented at Sales Conference, 104
- 1949 Planned Lighting Awards, 331
- Report of the Prize Awards Committee—H. M. Sawyer, 201
- Revised Terms for Planned Lighting Awards Issued by EEI and Better Light Bureau, 300
- Six Contests to Be Conducted by EEI Offer Awards for 1949 Achievements, 423
- Spurr (A. C.) Head of Monongahela Power Company Receives 1949 Gantt Award for "Management as a Community Service," 444
- Texas Power & Light and New Orleans Public Service, Inc., Win Annual Safety Awards, 431
- Thirty-five EEI Resuscitation Medals Presented for Quick Effective and Unselfish Actions of Power Company Employees—Mae B. Woods, 51
- Union Electric Company of Missouri Wins Charles A. Coffin Award, 172

B

Building Better Relations with Investors Through Financial Agencies—Tom P. Walker, 205

C

Capacity—See Generating Capacity

Care of Insulating Oils for Electrical Equipment—E. F. Walsh, 415

Career Opportunities in the Electric Power Industry—Frank E. Sanford, 9

Case History of Federal Encroachment on the Electrical Industry—J. B. Thomas, 437

Challenge in Industrial Power Sales—Robert G. Ely, 447

Coffin Award
- Community Relations for the Electric Industry—Charles E. Wilson, 289
- Union Electric Company of Missouri Wins Charles A. Coffin Award, 172

Commercial Activities
- All-Electric Kitchen Program Launches Industry's First Postwar National Sales Drive, 41
- Commercial Electric Cooking Conferences Scheduled for May 25, 114
- Commercial Sales Log Cover Design Contest Open to Electric Utility Employees, 22
- EEI Commercial Division Committees Plan Vigorous Campaigns to Develop Vast Markets—James T. Coatsworth, 365
- EEI President Proclaims June 1st "E-Day," 159
- Fifteenth Annual EEI Sales Conference to Draw Capacity Attendance with Many-Sided Program, 67
- Market Analysis to Build Future Sales—Maxwell Cole, 115
- New Commercial Lighting Sales Tool Released by EEI, 195
- New EEI Booklet Describes Home Economics Careers, 154
- Planned Lighting Promotion Committee Formed by EEI, 312
- Recent EEI Commercial Division Activities, 357
- Revised Terms for Planned Lighting Awards Issued by EEI and Better Light Bureau, 300
- Sales Conference Speakers Urge More Aggressive Selling, 105
- School Lighting, Sound-Slide Film Released by Better Light Bureau, 343
- "Selling Returns to the Front"—Ernest R. Acker, 109
- Television—A Load Builder—F. A. Compton, 111
- Utah Power & Light Helps Sponsor Unique Electric Kitchen Promotion Campaign, 450
- Who Is Going to Pay the Freight?—John W. O'Nan, 151
- Why Advertise—And How?—Forrest M. Raymond, 19

Commercial Electric Cooking Conference Scheduled for May 25, 114

Commercial Sales Log Cover Design Contest Open to Electric Utility Employees, 22

Community Relations for the Electric Industry—Charles E. Wilson, 289

Conservation—Weapon Against Want—George M. Gadsby, 7

Construction Program
- Electric Industry in 1949—Elmer L. Lindseth, 433
- Industry's Part in the Financing Program—Harold H. Scaff, 257
- What a Way to Start Up a Power Plant!, 25

Controlling Costs: The Power Industry's Achievement and Opportunity—Philip Sporn, 185

Conventions and Meetings
- Accident Prevention Committee Meetings, 62, 218, 388
- AGA-EEI Motor Vehicle Conference, 136

Commercial Electric Cooking Conference Scheduled for May 25, 114
Ebasco Holds Second Safety Seminar, 233
Ebasco Sponsors Safety Seminar, 72
Electrical Equipment Committee Meetings, 92, 216, 425
Fifteenth Annual EEI Sales Conference to Draw Capacity Attendance with Many-Sided Program, 67
Fifth Annual Wiring Conference Meets in Chicago, Feb. 24-25, 22
Fourth World Power Conference in London, July 1950, 331
Indiana Electric Association's Ninth Annual Young Men's Utility Conference, 236
Industrial Relations Conference at Chicago to Deal with Key Problems of Today—S. F. Leahy, 332
Industrial Relations Conference Program Highlights—S. F. Leahy, 450
Joint Accounting Conference at Detroit, Biggest and Best, 129
Joint National Accounting Conference at Detroit April 11-14, 43
Pennsylvania Electric Association Holds Forty-second Annual Meeting, 389
Program of 17th Annual EEI Convention Is Announced, 97
Purchasing Agents' Midwinter Conference to Be Held Feb. 7-8, 22
Sales Conference Speakers Urge More Aggressive Selling, 105
"Standard Packaging" Report Heads Purchasing & Stores Committee Meeting Program, 114
Timely Subjects, Distinguished Speakers on Program Arranged for 17th Annual EEI Convention, 65
Transmission and Distribution Committee Meetings, 91, 215, 426
Vigorous, Forthright Speeches Win Industry Acclaim at 17th Annual EEI Convention, 161
Coordinating the Use of Standard Specifications for Distribution Construction—David Burns, 119
County Farm Bureau Newspaper Describes Rural Service Activities of Alabama Power Company, 6
Credit and Collection Experience of the Gas and Electric Industries —1st Report, 149; 2nd Report, 422
Critical Years Ahead—H. P. Liversidge, 375
Customer Relations
Community Relations for the Electric Industry—Charles E. Wilson, 289
County Farm Bureau Newspaper Describes Rural Service Activities of Alabama Power Company, 6
Emergency Storm Training Pays Off for Florida Power & Light Company, 338
25th Year of Film Program Celebrated by Public Service Corp. of N. J., 337

D

Distribution—See Transmission and Distribution

E

Ebasco Holds Second Safety Seminar, 233
Ebasco Sponsors Safety Seminar, 72
Economic Distribution for Tomorrow's Loads—T. J. Brosnan, 243
Economic Trends and Their Possible Effects on the Future—George B. Roberts, 268
EEI Commercial Division Committees Plan Vigorous Campaigns to Develop Vast Market—James T. Coatsworth, 365
EEI Committees
EEI Commercial Division Committees Plan Vigorous Campaigns to Develop Vast Market—James T. Coatsworth, 365
EEI General, Accounting & Engineering Committees Seek Efficiency, New Ways to Serve Public, 397
Industrial Relations Conference Program Highlights—S. F. Leahy, 450
Joint EEI-AGA Committee Publishes Report on "Financing Utility Capital Requirements," 429
Personnel of EEI Committees for 1949-50, 344
Planned Lighting Promotion Committee Formed by EEI, 312
Progress Report on Heat Pump Research, 313
Report of the Prize Awards Committee—H. M. Sawyer, 201
"Selling Returns to the Front"—Ernest R. Acker, 109
EEI Convention
President's Address—Ernest R. Acker, 169
Program of 17th Annual EEI Convention Is Announced, 97
Timely Subjects, Distinguished Speakers on Program Arranged for 17th Annual EEI Convention, 65
Vigorous, Forthright Speeches Win Industry Acclaim at 17th Annual EEI Convention, 161
EEI General, Accounting and Engineering Committees Seek Efficiency, New Ways to Serve Public, 397
EEI President Proclaims June 1st "E-Day," 159
EEI Publication
New EEI Booklet Describes Home Economics Careers, 154
Recent EEI Publication, 385
Three Accident Prevention Posters Now Available, 61
EEI Publications and Service Material, 28, 283
EEI Resuscitation Medals Presented for Courageous and Humane Actions—Mae B. Woods, 83
EEI Study Reveals Relationship Between "Peak Loads" and Sales of Electricity, 125
Edison Medal
EEI Resuscitation Medals Presented for Courageous and Humane Actions—Mae B. Woods, 83
Thirty-five EEI Resuscitation Medals Presented for Quick, Effective and Unselfish Actions of Power Company Employees Mae B. Woods, 51
Edison, Thomas A.
Edison Portrait—Frontispiece Opp. Pg. 33
Having Faith—And Going Forward—Elmer L. Lindseth, 393
Nation Pays Homage to Edison's Genius on 102nd Anniversary, 33
Special Observances to Mark "Edison Day" Both Here and Abroad, 2
Education
Career Opportunities in Electric Power Industry—Frank E. Sanford, 9
Seminars Broaden Understanding Between Colleges and Industry—F. E. Verdin, 451
Effect of Soil Moisture on Buried Receivers for Heat Pumps—Professor W. A. Hadley, 12
Electric Industry
Accomplishments of Electric Light & Power Industry in the Reduction of Atmospheric Pollution—A. L. Penniman, Jr., and E. F. Wolf, 341
Case History of Federal Encroachment on the Electrical Industry—J. B. Thomas, 437
Controlling Costs: The Power Industry's Achievement and Opportunity—Philip Sporn, 185
Critical Years Ahead—H. P. Liversidge, 375
Electric Industry in 1949—Elmer L. Lindseth, 433
Electric Power Situation in New England—R. H. Knowlton, 381
Electric Utility Industry Is Meeting the Country's Growing Demands—H. S. Bennion, 309
Having Faith—And Going Forward—Elmer L. Lindseth, 393
Minding Our Business—Charles E. Wilson, 191
Power Industry in Germany—Col. William Kelly, 3
Power Survey Lays Specter of "Impending Shortages," 407
President's Address—Ernest R. Acker, 169
Role of Electric Companies in River Valley Development—Edwin Vennard, 321
Survey Shows 5.1% Reserve Capacity Through December Peak Period, 1
Wartime and Postwar Achievements of the Electric Utility Industry—Walker L. Cisler, 225
What Can One Man Do?—Elmer L. Lindseth, 361
Electric Industry in 1949—Elmer L. Lindseth, 433
Electric Power Situation in New England—R. H. Knowlton, 381
Electric Power Survey
EEI Study Reveals Relationship Between "Peak Loads" and Sale of Electricity, 125
Power Survey Lays Specter of "Impending Shortages," 407
Survey Shows 5.1% Reserve Capacity Through December Peak Period, 1
Wartime and Postwar Achievements of the Electric Utility Industry—Walker L. Cisler, 225
Electric Utility Industry Is Meeting the Country's Growing Demands —H. S. Bennion, 309
Electrical Equipment
Care of Insulating Oils for Electrical Equipment—E. F. Walsh, 415
Electrical Power Station Fire Protection—N. L. Clarine, 77
Factory Built Substations—W. M. Hanna, 79
Foot Rules for System Planning—R. G. Hooke, 304
Interrelation Between Distribution System and Substation Design from the Distribution System Point of View—E. W. Oesterreich, 13
Operation of Synchronous Machines for Continuity of Service on the Southern California Edison Company System—Lloyd F. Hunt and J. H. Vivian—Part 1, 293; Part II, 333
Recent Inductive Coordination Activities, 123
Standardization—An Investment—A. C. Monteith, 234
Utility Designed Substations—E. B. Shew, 45
Electrical Equipment Committee
Chicago Meeting, 216
St. Louis Meeting, 92
Schenectady Meeting, 425
Electrical Power Station Fire Protection—N. L. Clarine, 77
Emergency Storm Training Pays Off for Florida Power & Light Company, 338

Employee Relations
Personnel and Public Relations in Electric and Gas Utilities—Orie Van Rye, 37
Practical Phases of Employee Morale—Kinsey M. Robinson, 212
Production Incentives at Wisconsin Electric Power Company—F. L. Larkin, 409
Selection and Training of Purchasing Personnel—C. F. Ogden, 453
Seminars Broaden Understanding Between Colleges and Industry—F. E. Verdin, 451
"Simplified Electricity for Utility Workers" Is New Course Prepared by P. R. Rutledge, 396
Tax Consequences of Pension Plan Changes—Leo A. Diamond, 155
England
Increasing Disillusion with Socialized Electricity Is Voiced in England, 23

F

Factory Built Substations—W. M. Hanna, 79
Farm Electrification
County Farm Bureau Newspaper Describes Rural Service Activities of Alabama Power Company, 6
Michigan Celebrates Consumers Power Company's Connection of 100,000th Farm Customer, 379
Wisconsin Celebrates 25 Years of Farm Electrification at Connection of 100,000th Farm, 413
Wisconsin Governor Lauds Electric Research Farm Project, 384
Fifteenth Annual EEI Sales Conference to Draw Capacity Attendance with Many-Sided Program, 67
Fifth Annual Wiring Conference Meets in Chicago, Feb. 24-25, 22
Financing
Building Better Relations with Investors Through Financial Agencies—Tom P. Walker, 205
Financing the Future Expansion of Electric Utility Industry—George D. Woods, 69
General Public Utilities Corp. Uses Movie to Interest Investors, 383
Impact of Taxation on Public Utilities—C. E. Eble, 419
Industry's Part in the Financing Program—Harold H. Scaff, 257
Joint EEI-AGA Committee Publishes Report on "Financing Utility Capital Requirements," 429
Lack of Risk Capital—Richard W. Courts, 145
Long Term Lease Financing and Its Applicability to Electric Utility Companies—William W. Bodine, 261
Outlook for Utility Financing—Harold H. Young, 196
Rate Trends and Problems—S. W. Andrews, 246
Safeguarding Our Future Through Sound Rates and Financing—Justin R. Whiting, 133
Section II and A Strong Utility Industry—Hon. Edmond M. Hanrahan, 173
Some Trends in the American Economy—Short Run and Long Run—Sumner H. Slichter, 137
We Must Sell Aggressively Today—Edwin Vennard, 272
Financing the Future Expansion of the Electric Utility Industry—George D. Woods, 69
Fire Protection
Electrical Power Station Fire Protection—N. L. Clarine, 77
Foot Rules for System Planning—R. G. Hooke, 304
Fourth World Power Conference in London, July 1950, 331
Free Enterprise
Case History of Federal Encroachment on the Electrical Industry—J. B. Thomas, 437
Critical Years Ahead—H. P. Liversidge, 375
Having Faith—And Going Forward—Elmer L. Lindseth, 393
It's in the Cards—C. B. Boulet, 141
Lack of Risk Capital—Richard W. Courts, 145
Minding Our Business—Charles E. Wilson, 191
National Trends—Frank E. Holman, 35
Public Relations and Our Fifth Freedom—Morris Sayre, 209
Role of Electric Companies in River Valley Development—Edwin Vennard, 321
Sale We Must Not Lose—Merrill E. Skinner, 280
Selling of an Idea—Harllee Branch, 445
Socialist Failure in Jamestown Colony, 424
Washington Today—And the Business Man—Francis X. Welch, 327
What Are We Selling For?—D. C. McKee, 277
What Can One Man Do?—Elmer L. Lindseth, 361
Wisconsin Utilities Association Hears Call for Crusade Against Socialism, 436
You Can Lose Only Once—James H. McGraw, Jr., 177

G

General Public Utilities Corp. Uses Movie to Interest Investors, 383
Generating Capacity
EEI Study Reveals Relationship Between "Peak Loads" and Sales of Electricity, 125
Electric Industry in 1949—Elmer L. Lindseth, 433
Power Survey Lays Specter of "Impending Shortages," 407
Survey Shows 5.1% Reserve Capacity Through December Peak Period, 1
Wartime and Postwar Achievements of the Electric Utility Industry—Walker L. Cisler, 225
Generation
Accomplishments of Electric Light & Power Industry in the Reduction of Atmospheric Pollution—A. L. Penniman, Jr., and E. F. Wolf, 341
Controlling Costs: The Power Industry's Achievement and Opportunity—Philip Sporn, 185
Health Aspects of Air Pollution—A. J. Lanza, M.D., 339
Joint Research Committee on Boiler Feedwater Studies Reports Progress in 1948, 68
Present and Future of Thermal Prime Movers—Charles W. E. Clarke, 237
Prospects in Industrial Application of Atomic Energy—Philip Sporn, 371
What a Way to Start Up a Power Plant!, 25
Germany
Power Industry in Germany—Col. William Kelly, 3
Government Ownership
Case History of Federal Encroachment on the Electrical Industry J. B. Thomas, 437
Critical Years Ahead—H. P. Liversidge, 375
Economic Trends and Their Possible Effects on the Future—George B. Roberts, 268
Electric Power Situation in New England—R. H. Knowlton, 381
Electric Utility Industry Is Meeting the Country's Growing Demands—H. S. Bennion, 309
National Trends—Frank E. Holman, 35
Increasing Disillusion with Socialized Electricity Is Voiced in England, 23
Role of Electric Companies in River Valley Development—Edwin Vennard, 321
Washington Today—And the Business Man—Francis X. Welch, 327
What Can One Man Do?—Elmer L. Lindseth, 361
Wisconsin Utilities Association Hears Call for Crusade Against Socialism, 436
You Can Lose Only Once—James H. McGraw, Jr., 177
Government Regulation
Industry's Part in the Financing Program—Harold H. Scaff, 257
Long Term Lease Financing and Its Applicability to Electric Utility Companies—William W. Bodine, 261
Lawyer's New Tasks in Rate Proceedings—Paul W. McQuillen, 253
Protecting the Taxpayer—Hon. C. Emory Glander, 265
Rate Trends and Problems—S. W. Andrews, 246
Section 11 and A Strong Utility Industry—Hon. Edmond M. Hanrahan, 173
Who Is Going to Pay the Freight?—John W. O'Nan, 151

H

Having Faith—And Going Forward—Elmer L. Lindseth, 393
Health Aspects of Air Pollution—A. J. Lanza, M.D., 339
Heat Pump
Effect of Soil Moisture on Buried Receivers for Heat Pumps—Professor W. A. Hadley, 12
Operating Characteristics of Heat Pump Ground Coils—Dr. W. A. Hadley, 457
Progress Report on Heat Pump Research, 313
Hughes (George A.) and McCall (Laura) Home Service Awards Presented at Sales Conference, 104

I

Impact of Taxation on Public Utilities—C. E. Eble, 419
Increasing Disillusion with Socialized Electricity Is Voiced In England, 23
Indiana Electric Association's Ninth Annual Young Men's Utility Conference, 236
Inductive Coordination
Recent Inductive Coordination Activities, 123
Industrial Power
Challenge in Industrial Power Sales—Robert G. Ely, 447
Market Analysis to Build Future Sales—Maxwell Cole, 115
Prospects in Industrial Application of Atomic Energy—Philip Sporn, 371
We Must Sell to Live—James H. Jewell, 180
Industrial Relations
Career Opportunities in the Electric Power Industry—Frank E. Sanford, 9

Industrial Relations Conference at Chicago to Deal With Key Problems of Today—S. F. Leahy, 332
Industrial Relations Conference Program Highlights—S. F. Leahy, 450
It's In the Cards—C. B. Boulet, 141
Personnel and Public Relations in Electric & Gas Utilities—Orie Van Rye, 37
